Small Group Questions

Here are the small group questions for this week...

1. Pastor Joel paraphrased the thought from Paul to the Colossians when he said this: “Why do we take something that was free and make it something we have to earn?” When it comes to our salvation through Christ – do we? Why?
2. What steps can we take to keep our own teachers/Pastors/bible studies accountable to the word?
3. How do you communicate the concept of salvation to your children and family and how it impacts how each member of one's family can serve the Lord?
4. What are some “fine sounding arguments” in our world, in the church today?
