Small Group Questions

1. If our final words in this life are the most important things we will say, what will you say? Why are we waiting to the end to say them?
2. Did the explanation by Joel on the difference between goats and sheep outside of those in America help you better understand the meaning found in Matt 25? Explain in your own words the significant differences between the two.
3. Compare and contrast your transformation and similarities of being more like a sheep or goat - trust in shepherd to provide versus creating a cage to protect the environment from me?
4. I want to give with the right spirit, how can I change a "grudgingly" heart?
5. Joel used these illustrations: A shepherd uses a pen to protect the sheep from the environment and also uses a pen to protect the environment from the goats! Do you know people who fall into each of these categories? What characteristics would cause this to be true?
