
Words In Worship

Small Group Questions

1. We worship when we sing, but what are other biblical ways we can worship?
2. Even though a worship song may be popular, how often do we check its theological contents before it becomes a personal favorite or one that gets added to the Sunday line up?
3. *God never changes*...how does that make you feel? How does that fact provide a solid foundation for your life and faith journey?
4. Death will occur, and that is the fate for all of mankind. But a choice to be a Christ follower changes our destiny after physical death. Do you want to share this fact with others? What holds us back from doing so?
5. Does your family worship together other than on Sunday mornings? If not why not? Would you consider trying it?
