Small Group Questions

1. Do you believe the Bible is absolutely authoritative, or do you feel there are errors and inconsistencies?
2. Joel gave a list of prophecies Jesus fulfilled. What are some other O.T. prophecies that Jesus fulfilled?
3. How are you doing with balancing faith with fear and doubt as you navigate our non-eternal life on earth - and adjust to non-spiritual influences that attempt to pull you off course in growing stronger faith in leading your homes and sharing the Good News with others?
4. Why do we remember what God tells us to forget and forget what we are told to remember?
5. Peter was an eyewitness to all aspects of Jesus' life. Would your relationship with Jesus be different if you had been an eyewitness to his ministry for three years? How so? More assured and unwavering?
6. As you convey your belief to others, how important is the fact that the Scriptures were written by many different human beings who were led by the Holy Spirit? Did you appreciate Joel's thought about asking someone who is questioning your belief to ask them about theirs and why they believe the way they do?
