## **The Fruitless Fig Tree**

### **Small Group Questions**

1. Are you plugged in at FMC? If you are reading or hearing this question, you are to a certain extent. What is the next level of commitment for you to reach?
2. Is your tree bearing fruit for Jesus and His Kingdom that is seen by others. What would others say about your "fruit"?
3. What are the steps between fruitlessness and fruitfulness? How do we begin to make the change?
4. Is it possible to bear fruit in some areas of our lives and still be fruitless in other areas?
5. 2 Peter 2:8-11 gives a list of "fruits" that a fruitful Christian should have, but it calls us to possess those traits in "increasing measure". How do we make sure that we are continually growing in these areas?

**Scripture Used:** Matthew 21, Mark. 11, II Peter 2:8-11
