Scriptures used: Genesis 25:19-26

Small Group Questions

1. Do we really trust God enough to give up control of our life to bear our cross for Him?
2. Have you reacted in similar ways to Rebekah in leaving your comfort zone to follow His will in developing new relationships with others?
3. Have you seen God reveal “His control” in your life? What was the situation? Going forward, will you consider journaling that event as Joel suggested for recall in the future? It helps during times of uncertainty and question to remember God’s faithfulness in the past.
4. God is always in control. It doesn’t always feel that way. How do you respond mentally, emotionally, and spiritually when the circumstances of life seem out of control?
5. What are some significant life circumstances you have had to wait for? How did you respond in your time of waiting?
6. Do you see signs in your life that are from God? How did you recognize them and how did you respond?
